

REMARKS**Specification**

The deleted paragraph should have been deleted to reflect a change made to the drawings during drafting of the application, but was inadvertently overlooked.

Claims

All of the claims rejected in the May 22, 2006 Office action are either cancelled, amended to depend from an allowed claim, or depend from such an amended claim. New claims 35-43, which correspond respectively to claims 12, 13, 18-19, 22, 15, 16, 26 and 27, have been added to depend (directly or indirectly) from allowed claim 21. Claim 25 was objected to as being depended upon a rejected base claim but was found to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims; it has been amended accordingly.

Since all of the claims remaining in the application have been allowed, found allowable, or depend from an allowed claim, a Notice of Allowance is respectfully requested.

Respectfully submitted,

Date: 8/2/06
